NAVIGATORS

ADMINISTRATION

Being "Captain of the Ship"—or being principal for grades 6-12—is not easy. Jerry E. Tyre can handle hard jobs. He has been a classroom teacher for nine years, was assistant principal for seven years, and is completing his fourth year as principal of V.H.S. Every phase of school life is important to him, whether it is academic, sports, vocational, or maintenance. He wants students to be ready to go out well prepared for "rough waters." JACKET BUZZ 1981 salutes the "Head Navigator," Mr. Tyre.

Who has to be everywhere at once, covering all the "decks"? Who coordinates everything from "inservice" of the crew to textbooks, with time-out for some stern disciplinary measures? Michael Welch, assistant principal, that's who. His steady, dependable, common-sense approach to everyday problems help toward "smooth sailing."

Completing her first full year at V.H.S. is guidance counselor, Mrs. Carol Ard. She has won the respect and devotion of all students and faculty. On the most hectic day, her voice "calms the troubled waters." Welcome aboard, Mrs. Ard.

OFFICE PERSONNEL

What made the school year sail along so smoothly? At V.H.S. much credit went to our competent secretary and our bookkeeper.

Our secretary, Mrs. Imogene Owens, handled record keeping, typing, filing, collating of materials, daily bulletins, and much more.

Our bookkeeper, Mrs. Joyce Dorch, handled collecting and the receipting of monies from various clubs and organizations, paying bills from internal funds, was in charge of all sports eligibilities, among many other duties. Working closely with teachers, administration, and students were the aides. They assisted the educators in keeping the ship on course.

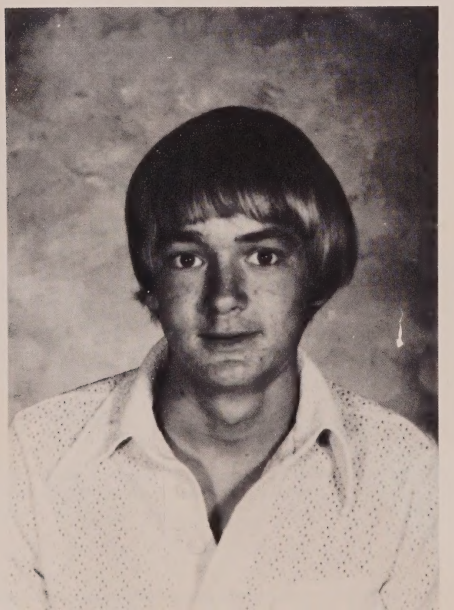
CORDY BROOKS



DEBBIE MORRELL

Sailing into the harbor, completing the years of high school—this is a joyous occasion for the CLASS OF '81. Our joys were not without sorrow, however; we lost, along the way, four precious members of our crew. We here pay a loving tribute to those four: CORDY BROOKS, JOHN KIRK, DEBBIE MORRELL, and SHANNON YATES.

The Vernon High School Student Council is composed of students, elected by the student body, who represent the best in leadership. Always busy, the Student Council makes all of the Homecoming Week plans for student activities; it provides numerous bulletin boards, and helps generally in making the V.H.S. "Ship" have smoother sailing. Because of president, Jo Anne Waller; vice-president, Tommy Russ; and sponsor, Mr. Riley, 1980-1981 was an outstanding year.

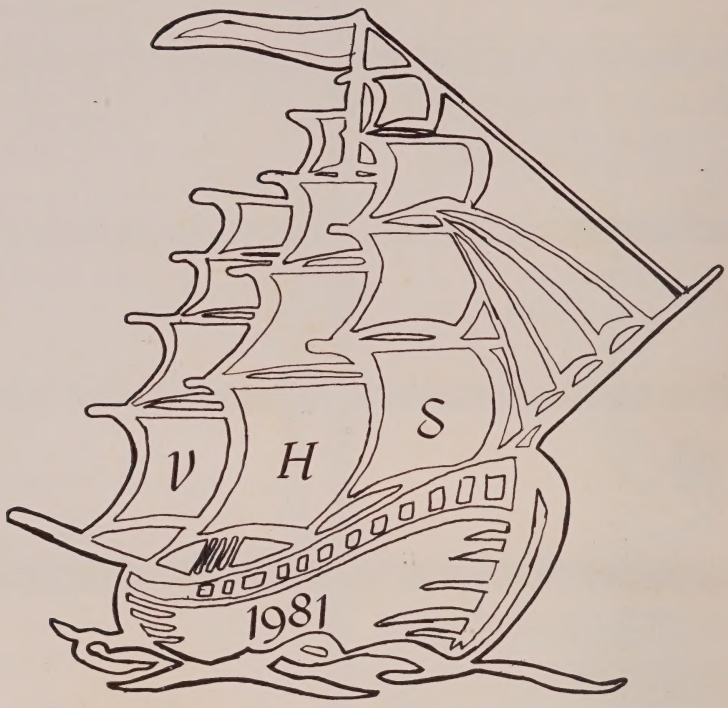
"Come Sail Away"



Although we shall soon set sail in rougher waters, we, the 1981 Graduating Class, know we will be able to master them, because the special memories of this ship and of mates, like you, have made us stronger.

And so to the ship that has sailed us over the waves and to the mates, crew, and captain, we say, "Thank you," because now we are prepared for any storm that the seas may bring.

COME SAIL AWAY
